NEPTUNE STANDARD

Dispenser for Physioberm®'s 1-L-Neptune-bottles

NEPTUNE STANDARD

Dispenser for Physioderm®'s 1-L-Neptune-bottles

PRODUCT PROPERTIES / APPLICATION AREA:

The NEPTUNE dispenser system offers the following advantages

- ✓ easy loading
- ✓ ideal dosage
- ✓ good emptying
- ✓ maximal hygiene since there is no direct contact between the product and the dispenser.

The flexible, universal dispenser is suitable for all types of products – for skin protection, skin cleansing and skin care products as well as for disinfectants.

The NEPTUNE dispenser system is easy to load and refills can be exchanged without much effort. The appropriate valve is part of each bottle. Since the valve is replaced with each refill, creams, lotions, gels and foams are always dispensed ideally and hygienically.

The NEPTUNE dispenser system is also available as a lockable and automatic version (NEPTUNE TOUCHLESS).

APPLICATION:

The wall bracket included facilitates a simple installation and an easy dismantling, for instance in order to clean the dispenser.
